## Game Two Of Lord Of The Rings

**A**fter their hideous abomination in Middle-earth, the Dark Side of the Rings has now claimed the Southland of Mordor. This game follows on the players' first visit to the land of the orcs and goblins, the world of the Ring - the Far East.

From the depths of the Ring...

...comes the darkness...

The shadowed path of the Rings  
leads the Dark Riders to a way of  
the new darkness.

But not everyone has chosen...

One of the most talented and bold  
adventurers left the darkness for the  
bright. Imperial Companions  
Worship...

...the light of the true...

Imperial Companions Worldwide  
Battlegrounds.

The Imperial Companions have taken  
a stand and you are invited to join the
